Sponsors Needed

The Alberta Firefighters Curling Association is asking for your help by the way of sponsorship.

The Alberta Firefighters Curling Association thru the sport of curling promotes camaraderie amongst the men and women who provide fire service to their communities across Alberta.

The generous sponsorship contributions of sponsors have been the key ingredient to the longevity and success of our organization.

In order to maintain the future success of our association we are asking various companies and organizations to consider sponsoring the AFFCA. All sponsorship funds and donations in kind directly benefit our members and will enable us to continue the tradition of Firefighters Curling in Alberta.

A portion of funds raised by the Alberta Firefighters Curling Association and Canadian Firefighter Curling Association are donated to Muscular Dystrophy Canada.
